

EHA'S RESIDENT INVOLVEMENT GROUP TURNS 21!

ECHO held their AGM last night, and turned 21 years old. Eden Community Homes and Organisations (ECHO) is the united voice of tenants, residents and other customers of EHA.

ECHO works on the principle that residents who have an interest in the work of EHA also have the right to participate in the decision-making affecting their homes and environments, their primary aim is to promote tenant and resident involvement by:

- Influencing policy and procedures and monitor performance
- Making sure tenants and residents get the information they need to make decisions
- Providing training and development opportunities
- Supporting affiliated Tenants' & Residents' Associations and community groups

Membership is open to all tenants and residents living in EHA properties, and to those living close by. A full meeting of ECHO members is held six times a year, and a number of sub-groups also meet regularly.
